History

The Labyrinth Society was born on November 6, 1998, by agreement of 43 Founding Circle members in St. Louis. We celebrated with a birthday cake the following night: 11/7 was an auspicious date for labyrinth festivities. Since then, we have held annual gatherings, created a global hub of information through our website, sponsored a symposium in Europe, launched World Labyrinth Day, created a DVD (now subtitled in Spanish) and supported many other projects. Our social media community includes a Facebook group with thousands of vibrant members.

Membership

We hope you will join us! You can register to become a member via the TLS website: www.LabyrinthSociety.org, or a membership form can be obtained by calling 607-527-0630 for submission by mail.
